Supervisor Moore Omokunde,

The current status of the skylight project at the Martin Luther King Community Center is substantially complete. There are still some final minor project close out pieces related to flashing installation. The skylight project is a continuation of the MLK Community Center Roof (WP172) replacement project started in 2010. There is currently not an HVAC project in progress at MLK Community Center. The last HVAC project (WP202) in the community center was in the 2013 Adopted Capital budget.

Director Smith,

Please note one additional referral from the 10/15/19 meeting of the Committee on Finance and Audit-Budget.

Item 12: Supervisor Moore Omokunde requested follow-up information regarding the condition of the skylights, and the heating, ventilation, and air conditioning (HVAC) system at the Martin Luther King Community Center.

Apologies for the omission from the previous email.

Thank you,

Subject: Referrals 10/15/19

Good evening,

At the 10/15/19 meeting of the Committee on Finance and Audit-Budget, 3 referrals were made:

Item 4: Supervisor Taylor requested information regarding the diversity of the 460 full-time equivalent employees at the organizations that CAMPAC serves.

Item 8: Supervisor Wasserman requested information regarding promotional opportunities for the Zoo's donkey exhibit in light of the upcoming Democratic National Convention.

Item 11: Supervisor Moore-Omokunde requested the most recently available list of community concerts being sponsored in County parks.

The video from today's meeting is available here:

If you require additional information, please contact the requesting Supervisor.

Kindly include me on your written responses to these requests.

Thank you,

Kelsey Evans
