Dear Supervisor Moore-Omokunde,

After our 2021 budget presentation on October 16th, you asked if UW Extension still partners with MPS in the "We Got This" program. I looked into this and thank you for your interest.

Our Urban Agriculture Program Coordinator, Dennis Lukaszewski, has had several conversations with the founder of this program, Andre Lee Lewis; but at this time, there is no formal partnership with Extension.

If you have additional questions, or feel we should pursue this further, please feel free to contact me to discuss.
