DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. Approval of this resolution would create 1.0 FTE of a Community Engagement Coordinator

B. The current year fiscal impact is an increase of \$9,504 in salary expenditures, and \$3,378 in associated fringe expenditures. This impact was calculated by dividing the 26M Step 1 salary, social security and fringe by 12 months and then adding up the anticipated 2016 pay periods with the results. These expenditures will be absorbed into the existing salary budget.

C. Revenue already allocated to the Office on African American Affairs will be used to absorb the current year fiscal impact. This position is included in the 2017 budget with a fiscal impact of \$77,290 is salary, social security and associated fringe benefit costs. In 2017, the fiscal impact of this position will be offset by anticipated revenue.

D. This fiscal note assumes the rate of pay for 2 pay periods of 2016 at Step 1 of Pay Range 26M
