**INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY SCHEDULES  
OF EXPENDITURES OF FEDERAL AND STATE AWARDS**

To the Board of Supervisors of the  
County of Milwaukee, Wisconsin:

**Report on the Schedules of Expenditures of Federal and State Awards**

We have audited the accompanying Schedules of Expenditures of Federal and State Awards (the "Schedules") of the County of Milwaukee, Wisconsin (the "County") for the year ended December 31, 2018, and the related notes to the Schedules.

The financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Milwaukee, Wisconsin, as of and for the year ended December 31, 2018, which collectively comprise the County of Milwaukee's basic financial statements have been audited and a report dated July 31, 2019 has been issued separately by other auditors.

**Management's Responsibility for the Schedules of Expenditures of Federal and State Awards**

Management is responsible for the preparation and fair presentation of the accompanying Schedules of Expenditures of Federal and State Awards in accordance with accounting principles generally accepted in the United States of America. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedules that are free from material misstatement, whether due to fraud or error.

The basic financial statements are the responsibility of the County of Milwaukee's management.

**Auditors' Responsibility**

Our responsibility is to express opinions on the Schedules of Expenditures of Federal and State Awards based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform*

**COLEMAN & WILLIAMS, LTD.**  
*A Professional Services Firm*

*Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and the provisions of the State Single Audit Guidelines issued by the Wisconsin Department of Administration. Those standards, Uniform Guidance and State Single Audit Guidelines, require that we plan and perform the audit to obtain reasonable assurance about whether the Schedules of Expenditures of Federal and State Awards are free from material misstatement.*

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedules. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedules, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the County's preparation and fair presentation of the Schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedules.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions**

In our opinion, the Schedules of Expenditures of Federal and State Awards referred to above present fairly, in all material respects, the results of the County of Milwaukee, Wisconsin's operations of Federal and State awards for the year ended December 31, 2018, in accordance with accounting principles generally accepted in the United States of America.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL AND MAJOR STATE PROGRAM AND REPORT ON INTERNAL  
CONTROL OVER COMPLIANCE AS REQUIRED BY THE UNIFORM  
GUIDANCE AND THE STATE OF WISCONSIN SINGLE AUDIT GUIDELINES**

To the Board of Supervisors of the  
County of Milwaukee, Wisconsin

**Report on Compliance for Each Major Federal and Major State Program**

We have audited the County of Milwaukee, Wisconsin's compliance with the types of compliance requirements described in the U.S Office of Management and Budget (OMB) Compliance Supplement and the State of Wisconsin ("State") Single Audit Guidelines that could have a direct and material effect on each of the County of Milwaukee, Wisconsin's major federal and major state programs for the year ended December 31, 2018. The County of Milwaukee, Wisconsin's major federal and major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the federal and state statutes, regulations, and the terms and conditions of its federal and state awards applicable to its federal and state programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the County of Milwaukee, Wisconsin's major federal and major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and with *State Single Audit Guidelines* issued by the Wisconsin Department of Administration.

Those standards, the Uniform Guidance and the *State of Wisconsin Single Audit Guidelines*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or major state program occurred. An audit includes examining, on a test basis, evidence about the County of Milwaukee, Wisconsin's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and major state program. However, our audit does not provide a legal determination of the County of Milwaukee, Wisconsin's compliance.

### **Opinion on Each Major Federal and Major State Program**

In our opinion, the County of Milwaukee, Wisconsin complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and major state programs for the year ended December 31, 2018.

### **Report on Internal Control Over Compliance**

Management of the County of Milwaukee, Wisconsin is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County of Milwaukee, Wisconsin's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal or major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and major state program and to test and report on internal control over compliance in accordance with the Uniform Guidance and the *State of Wisconsin Single Audit Guidelines* but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County of Milwaukee, Wisconsin's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis.

A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Purpose of this Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *State of Wisconsin Single Audit Guidelines*. Accordingly, this report is not suitable for any other purpose.

REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditors' Report

To the Board of Supervisors  
of the County of Milwaukee, Wisconsin

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Milwaukee, Wisconsin as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the County of Milwaukee's basic financial statements, and have issued our report thereon dated July 31, 2019. Our report includes a reference to other auditors who audited the financial statements of the Milwaukee County War Memorial, Inc. and the Marcus Center for the Performing Arts, as described in our report on the County of Milwaukee's financial statements. The financial statements of the Milwaukee Public Museum, Inc., the Milwaukee County War Memorial, Inc., and the Marcus Center for the Performing Arts were not audited in accordance with *Government Auditing Standards*.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the County of Milwaukee's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County of Milwaukee's internal control. Accordingly, we do not express an opinion on the effectiveness of the County of Milwaukee's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To the Board of Supervisors  
of the County of Milwaukee, Wisconsin

**Internal Control Over Financial Reporting (continued)**

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the County of Milwaukee's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

\*This is an interest bearing checking account that was established to disburse funds allocated for Drug Enforcement. In order to arrive at the accrued (actual) 2018 balance, income must be added and expenditures subtracted.

\*\*Discussions with Department of the Treasury and Department of Justice staff indicate that currently no CFDA number has been assigned to Asset Forfeiture items. Both agencies indicated they would notify Asset Forfeiture recipients as information becomes available. Expenditures are predicated only on prior receipts and specific identifications of grant periods are indeterminable.

\*\*\* Asset Forfeitures totals are not included in "Total Federal Assistance" on prior page.

**NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS**

YEAR ENDED DECEMBER 31, 2018

1. **SCOPE OF AUDIT**

The County of Milwaukee (County) is a governmental entity established by laws of the State of Wisconsin and has the powers of a body corporate, as defined in the Statutes. All significant operations of the County are included in the scope of the Single Audit in accordance with the provisions of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), and the State Single Audit Guidelines issued by the State of Wisconsin, Department of Administration. The U.S. Department of Transportation has been designated as the County's cognizant agency for the Single Audit.

(a) **Programs Subject to Single Audit**

All Federal awards received by the County directly from the Federal government or passed through the State of Wisconsin have been included in the Schedules of Expenditures of Federal Awards. All State Awards received by the County have been included in the Schedules of Expenditures of State Awards.

(b) **Fiscal Period Audited**

Single Audit testing procedures were performed for program transactions occurring during the calendar year ended December 31, 2018.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

(a) **Accrued and Deferred Balances**

Revenues (which include grantor reimbursement and local funding) are reported on the cash basis of accounting, whereas expenditures are reported on the accrual basis. The difference between the reported revenues and expenditures can result in accrued or deferred balances at the end of the year. These balances are reversed in subsequent periods.

The following statement applies to the Milwaukee County Department of Health and Human Services - Housing Division, Milwaukee County Department of Health and Human Services – Behavioral Health Department, Milwaukee County Sheriff's Department, and Milwaukee County Department of Parks, Recreation and Culture:

The 2018 Single Audit Report identifies corrections necessary to the beginning balance reported in 2018 from the ending balance in the 2017 Single Audit Report. Each project contains the 2017 ending balance reported in 2017, the adjusted amount for the correction and the correct amount at the start of 2018. As these balances reverse in subsequent years, making this one-time adjustment brings all the projects in line for the end of 2018.

(b) **Sub grantees**

Certain program funds are passed through the County to subgrantee organizations. The Schedules of Expenditures of Awards do not contain separate schedules disclosing how the subgrantees outside of the County's control utilized the funds. The County requires subgrantees receiving funding to submit separate audit reports disclosing the use of program funds.

(c) **Cost Allocation**

The County has a plan for allocation of central service costs related to grant programs. The amounts allocated to grant programs during a fiscal year are based on this cost allocation plan. Variances between actual costs and budgeted amounts are corrected on a prospective basis. As a result, the 2018 Cost Allocation Plan was based on the 2016 actual amounts and includes adjustments for variances between the 2016 Plan and the 2016 actual amounts.

In addition to the cost allocation plan, the County has various departments, which provide services to other County departments. Charges between departments are based upon direct rates. The methodology or basis for these direct rates has been reviewed and approved by representatives of the Federal Transportation Administration – Department of Transportation.

3. **SUPPLEMENTARY INFORMATION**

CDBG and HOME program income of \$59,620 and \$384,473, respectively was received from these loans in 2018.

**4. AMERICAN RECOVERY AND REINVESTMENT ACT**

In February 2009, the Federal government adopted the American Recovery and Reinvestment Act (ARRA) to provide additional federal funding to states and local communities for the purpose of stimulating the economy.
