

COUNTY OF MILWAUKEE
INTEROFFICE COMMUNICATION

Office of the Comptroller

Scott B. Manske, Comptroller

DATE: July 11, 2022

TO: Marcella Nicholson, Chairperson, County Board of Supervisors

FROM: Scott B. Manske, Comptroller

SUBJECT: **Report of Contracts – June 2022**

FILE TYPE: Reference File 22-40 (Informational Only)

Policy Issue

Pursuant to County Ordinance Sections 44.09(e), 46.09(8), and 56.30(8), attached is a summary of contract notifications received by the Office of the Comptroller in June 2022. This report does not include employment contracts.

Wisconsin Statutes Section 59.255(2)(e) requires the Comptroller to determine whether funds are available prior to contract execution. Departments notify our office of contracts at that time. This report is mostly based upon those notifications.

This report has six attachments:

- Attachment 1 – Exemptions – This section explains the coding system for contracts that are exempt from County Board review.
- Attachment 2 – Accounts Charged – For most contracts, the department must identify an account to which it will charge the expenditure. This section summarizes the accounts which frequently appear in the following section (Attachment 3).
- Attachment 3 – Main Contracts – This section summarizes main contracts including professional service, nonprofessional service, purchase of service, and most public works contracts.
- Attachment 4 – No Immediate \$ Impact – This section summarizes contracts that initially do not have a specific guaranteed dollar amount or contracts that do not involve an exchange of money. Examples include annual, time and materials, and educational agreements.

- Attachment 5 – Revenue Contracts – This section summarizes contracts in which the County will receive revenue. Examples include concession, vendor, and certain lease, use, and grant agreements.
- Attachment 6 – Purchase Orders – Milwaukee County uses the Enterprise Resource Planning (ERP) system to procure goods, supplies, materials, equipment, commodities, and nonprofessional services under County Ordinance Chapter 32. These types of purchase orders are subject to budgeting restrictions in the ERP system, as opposed to Comptroller review as to funds available. The attached report for purchase orders created in the First Half of 2022 uses an improved reporting methodology now available in the ERP system.

Attachments 3 and 6 may overlap in the case of nonprofessional service, license, and similar contracts that the Comptroller signs as to funds available and that a department subsequently uploads to create a purchase order in the ERP system. Also County Ordinances allow professional services not exceeding \$2,000 to be paid via purchase order in the ERP system without a contract; such purchases appear in Attachment 6.

Alignment to Strategic Plan

This summary promotes contracting and purchasing transparency to enhance the County's fiscal health and sustainability.

Committee Action

The Finance Committee should review this informational report.

Exemption Types

A - Mental Health Board jurisdiction: Pursuant to Wis. Stats. 46.21(2)(j), the County Board “may not exercise approval or disapproval power over any contract relating to mental health or mental health institutions, programs, or services.” Furthermore, Wis. Stats. 51.41(10) requires “Any contract related to mental health with a value of at least \$100,000, to which Milwaukee County is a party may take effect only if the Milwaukee County mental health board votes to approve, or does not vote to reject, the contract within 28 days after the contract is signed or countersigned by the county executive.”

B - Contracts for services less than \$100,000 using funds only from this fiscal year: Wis. Stats. 59.52(31) authorizes the execution of a service contract with a value of less than \$100,000 without County Board or Finance Committee review unless that contract requires funds from a future fiscal year that has not yet been adopted. This applies to both professional service contracts under Milwaukee County General Ordinance (MCGO) Ch. 56 and to nonprofessional service contracts under MCGO Ch. 32.

C - County Executive jurisdiction: Per Wis. Stats. 59.17(2)(b)(3) and 59.52(6), without County Board approval, the County Executive may make all orders concerning County property and sell, acquire, or lease property on land that is not zoned as a park and the Transit Center parcel. The County Executive may also “construct, purchase, acquire, lease, develop, improve, extend, equip, operate and maintain all county buildings, structures and facilities” on land that is not zoned as a park and at the Transit Center. Generally a contract that uses funds from a future fiscal year that has not yet been adopted will require County Board approval, but a lease or an easement of land not zoned park or of the Transit Center that uses funds from a not yet adopted fiscal year will not require County Board approval.

D - Public Works contracts: These contracts do not require County Board review. Per the authority cited in Exemption C, above, public works contracts on land not zoned as a park are exempt from County Board approval, but are subject to the bidding requirements set forth in Wis. Stats. 59.52(29). Public works contracts on land that is zoned as a park shall be awarded pursuant to Wis. Stats. 59.52(29) and according to County Board policy as set forth in MCGO 44.14.

E - Procurement of personal property using only funds from this fiscal year: Wis. Stats. 59.17(2)(b)3. and 59.52(6)(a) authorize the County Executive to acquire non-park personal property including goods, supplies, materials, equipment, and commodities procured under MCGO Ch. 32. However, the County Board must approve any procurement that requires funds from a future fiscal year that has not yet been adopted.

F - Community Based Residential Facilities: Contracts with community based residential facilities are exempt from County Board approval under Wisconsin Statutes. Per Wis. Stats. 46.21(2)(j), the County Board may not approve or disapprove any personal service contract or any contract or purchase of the county human services director “that relates to community living arrangements, adult family homes, or foster homes and that was entered into pursuant to” an annual social services or youth corrections budget/contract that the County provides the State “regardless of whether the contract mentions the provider.”

G - Price agreements: Price agreements (also called blanket contracts) issued under MCGO Ch. 32 establishing a rate without guaranteeing a quantity do not require County Board or Finance Committee review.
