

We Want to Hear From You!

The Milwaukee County Commission on Aging represents all older adults in our county. Right now, the Commission is developing a plan to better serve you in 2025-2027 and we need to hear your voice! The plan will address services, opportunities, and goals to help all of us live better lives. Help us make this plan the best for all Milwaukee County seniors.

Help shape the future for older adults in Milwaukee County!

The Milwaukee County Commission on Aging is conducting a survey to learn more about you, your needs, and the ways we can better serve you!

The Area Plan survey is online now! Visit county.milwaukee.gov/aging/areaplan or scan the QR code below to take the survey in English or Spanish.

The survey takes 10-15 minutes to complete and is intended for older adults, age 55 years or older, who reside in Milwaukee County. Individuals completing the survey may enter a drawing for a \$50 gift card.

You can request a paper version of the survey by calling (414) 289-6010. The paper survey can be provided in non-English languages, including Spanish, Burmese, Arabic, Lao, and other languages upon request.
