Main Provisions

Section I: RESPONSIBILITIES OF THE DEPARTMENT

- A. The Department agrees to remit payment to the Recipient in accordance with appropriate statutes, administrative rules, program grant application, and program materials.

Section II: RESPONSIBILITIES OF THE RECIPIENT

- A. The Recipient is responsible for submitting all program reports, invoices, or other required documents as outlined in the program application in the manner and form as prescribed by the Department. The Department may withhold any and all payments to the Recipient if program reports, invoices, and other required documents are not filed in the manner and form as prescribed by the Department.
- B. The Recipient agrees to pay the total operating deficit of the Transit System as its bills become due. If the Recipient contracts for mass transit service with a privately-owned company, the Recipient shall pay the privately-owned company in accordance with actual monthly operating expenses.
- C. The Recipient shall require the Transit System to provide reduced-fare programs for elderly and handicapped persons during nonpeak hours, and shall ensure compliance with that requirement. Such reduced fares may not exceed one-half of the full adult cash fare applicable during peak hours of operation. This requirement is not applicable if the Transit System is a shared-ride taxi system.
- D. The Recipient agrees to carry out the project as outlined in its approved application. If the Recipient determines that changes to approved projects are necessary, written approval from the Department must be received before the Recipient may proceed.
- E. The Recipient shall require the Transit System to determine "total passenger trips" taken during the calendar year in accordance with the procedures set forth in Ch. Trans 3, Wis. Admin. Code, and with the provisions of the Transit Management Plan contained in the Recipient's 2017 application for operating assistance which is made part of this Contract by reference, and shall ensure compliance with that requirement.

- G. The Recipient may not use program monies to purchase service from or make sub-grants to any third party without a contract, agreement, or purchase-of-service order, and must follow Department procedures and approval process. Third-party contracts, agreements, or purchase-of-service orders shall be available for inspection by the Department, its officials, employees or designees upon request.

- I. All materials, equipment, and supplies acquired through this Grant Agreement by the Recipient must comply fully with all safety requirements as set forth in law or rule by the State of Wisconsin, and with all applicable OSHA Standards.
- J. The Recipient shall, if other local public bodies contribute assistance to the operation of the Transit System, allocate the state aids received under this Contract among the contributors in proportion to their contributions as shown in Attachment A.

Section III: ACCOUNTING, RECORDS, AND AUDITS

- A. The Recipient shall have a single, organization-wide financial and compliance audit performed by a qualified independent auditor, if required to do so under federal law and regulations. Section IV: TERMINATION OF AGREEMENT

- A. The Department may terminate this Grant Agreement at any time that the Secretary of the Department of Transportation determines that the Recipient, lessee, or any third-party contractor has failed to perform in the manner called for in the Grant Agreement, or has failed to fulfill contract obligations. Failure of the Recipient or any third-party contractor to comply with the terms and conditions of this Grant Agreement shall be considered cause for termination.

Section I: PROJECT REQUIREMENTS

- A. The Department agrees to pay the lesser of:
1. The Grant Agreement maximum, as identified on the Information and Signature page.
 2. The nonfederal share of the Recipient's audited operating deficit.
 3. Five times the amount of the Recipient's local contribution as defined under sec. 85.20(4m)(b), Wis. Stats. This provision does not apply if the Transit System is a shared-ride taxi system.

The Recipient's combined state and federal operating assistance shall not exceed 60% of audited operating expenses. The Department shall determine the Transit System's operating expenses and operating deficit. Such determinations by the Department shall be made in accordance with generally accepted accounting principles and practices. The allowable federal share of the operating deficit will also be determined by the Department. The Department may reduce state payments if requested reimbursements are expected to result in assistance exceeding 60% of operating expenses.

This Grant Agreement will be amended to reduce state payments if sufficient funds are not made available under sec. 20.395, Wis. Stats.

- B. The Recipient shall file quarterly reimbursement and performance measures reports within 30 days of the close of the reporting period. Other special reports may also be required by the Department. The Recipient assures that all reports will be submitted in a manner and form prescribed by the Department.
- C. Payments from The Department to the Recipient shall be made in accordance with Attachment A, subject to the maximum payment listed on the Information and Signature page of this Grant Agreement.
- D. During the audit process, an adjustment of payments will be made based upon the year-end financial statement submitted by the Recipient. The year-end financial statement shall reflect the operating revenues and expenses incurred by the Transit System for the

Period of Performance after the books for that year have been closed. If, based on the year-end financial statement, payments made by the Department are less than the contracted amount of eligible operating expenses of the Transit System, and less than the nonfederal share of the operating deficit of the Transit System, the Department will pay the Recipient the amount withheld per Attachment A, or a sum sufficient to bring the Department's total payments, when combined with the federal share, to 60% of eligible operating expenses, or a sum sufficient to bring the Department's total payments up to the nonfederal share of the operating deficit, whichever sum is less.

- E. If the Department's audit establishes that payment to the Recipient under the terms of this Grant Agreement has exceeded the allowable maximum as started on the Information and Signature Page, the Recipient shall refund to the Department upon demand a sum sufficient to reduce the payment to comply with the maximum allowed on the Information and Signature Page of this Grant Agreement.
- F. The Department may withhold any and all payments due and owing the Recipient if the Recipient has not filed any report required as noted above, until such time as the report is filed in the manner and form prescribed.
- G. The Recipient shall send to the Department all draft contracts between the Recipient and any third party vendor receiving funds under this agreement. The Department shall review such draft contracts and determine their conformance with the provisions of this agreement. Upon authorization by the Department, the Recipient may execute such contracts.
- H. If the Recipient contracts for transportation service with a third party, the Recipient shall pay the third party in accordance with actual monthly operating deficit. The Recipient may reduce payments to the third party by an amount equal to any overpayments made to the third party under this Grant Agreement.
- I. The Recipient agrees that the Transit System will be managed and operated in accordance with the provisions of the Transit Management Plan contained in the Recipient's 2017 application for operating assistance and that the full application is made part of this Grant Agreement by reference. Modifications to the 2017 Transit Management Plan may be proposed by either the Recipient or the Department.

If the Department determines that a proposed modification is a "substantive change" to the 2017 Transit Management Plan, and if the Administrator of the Division of Transportation Investment Management approves such a "substantive change," the Department shall prepare an amendment to this Grant Agreement and forward it to the Recipient for execution. The Recipient shall not implement a proposed "substantive change" to the 2017 Transit Management Plan until an appropriate amendment to this Grant Agreement has been executed by both the Recipient and the Administrator.
- L. If the Department determines that a proposed modification to the 2017 Transit Management Plan is a "non-substantive change," the Department shall authorize the Recipient to implement the change, and a formal amendment to this Grant Agreement shall not be required.
