ASD's performance audit duties are defined in s. 59.255(2)(i), Wis. Stats. and Section 34.09 of the Milwaukee County Code of General Ordinances.

**BACKGROUND**

At its meeting for the July 2025 cycle, the Committee on Audit reviewed our audit report, "Pictures Worth a Thousand Words: Revisiting Parks from 2009 Shows Almost All Parks Improved Despite Asset Management System Issues," issued in June 2025. The resolution noting County Board concurrence with the report recommendations was adopted.

Attached is a copy of the Executive Summary page that provides general information about our audit. The full audit report is available on the Comptroller's website via the following link:

We are facilitating the submission of the attached status report. The status report provides comments from Parks management regarding its progress toward implementation of the recommendations in our audit report. Based on Parks' comments, one of the eight recommendations has been implemented, and progress has been made toward completion of those that remain open. Given the level of effort required to fully implement the recommendations, we plan to facilitate management's next status report for the July 2026 committee meeting cycle.
