5 Microimaging Corporation:
6

7 **A RESOLUTION**
8

9 WHEREAS, the Interim Chief Information Officer of the Information Management
10 Services Division (IMSD) is requesting authorization to execute a professional service
11 contract amendment with Security Microimaging Corporation (SMI); and
12

13 WHEREAS, an appropriation of \$195,000 is budgeted in the 2012 Adopted Capital
14 Improvements Budget for project WO205 – Fiscal Automation Program with the intent to
15 continue efforts in leveraging technology to create efficiencies and improve access to
16 information County-wide; and
17

18 WHEREAS, there is a pressing need to identify paper-driven business processes
19 which may be well-suited to automation; and
20

21 WHEREAS , in 2008, SMI was awarded a professional services contract with
22 Milwaukee County for the purchase and development of a document management and
23 process work flow application called OnBase; and
24

25 WHEREAS, since that time, IMSD, in conjunction with SMI, has implemented
26 OnBase with Child Support Enforcement and the County Clerk’s office; and
27

28 WHEREAS, IMSD is in the process of expanding the use of OnBase across multiple
29 departments to provide more efficient, effective and timely access to information and to
30 reduce paper consumption; and
31

32 WHEREAS, the 2012 appropriation will be used to amend the current contract with
33 SMI for programming and support needs as well as the acquisition of software modules to
34 complete several projects ; and
35

36 WHEREAS, IMSD will be providing a presentation of OnBase to the December
37 cycle of the Finance and Audit Committee illustrating the efficiencies created through this
38 application and the opportunity for future projects spanning across County departments;
39

40 now, therefore,
41

42 BE IT RESOLVED, the Interim Chief Information Officer is authorized to amend the
43 professional service agreement with Security Microimaging Corporation to continue the
44 implementation of Capital Project WO205 – Fiscal Automation Program.
