DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

The Combined Court Related Operations is submitting a request to abolish and create positions within the Civil Division of the Clerk of Circuit Court in order to assist with the increased demands as a result of the implementation of e-filing. The mandate of e-filing has made it necessary to procure additional permanent staff members in the role of Deputy Court Clerks in order to statutorily conduct the necessary hearings as they relate to the Family Court Commissioner's Office. A shift in responsibilities and efficiencies has allowed for the abolishment of the clerical positions in addition to the creation of the Administrative Assistant position. If the requested abolish/create scenario is approved, it will result in a decrease of expenditures in the amount of \$9,334.34.
