Please restore the service hours for route 55 which runs past Milwaukee Mitchell International Airport. I am requesting for the service hours to be between 5 AM to 8 PM seven days a week.. Along with the other transportation services that are available to passengers, let us keep the route 55 going. This will help people get to and from the airport along with going to the different restaurants and businesses that are along that route.

Also with the steep cuts to route 55, a passenger will now need to take three buses to get from Layton/Howell to Layton/Loomis. The buses needed to get there would be the following: Greenline to Route 51 (Oklahoma Avenue) then Route 51 to S 35th & Oklahoma. Then route 35 to -Loomis/Layton. The initial cost of fare at \$2.75 would now be spent on 3 buses not 2. MCTS is spending more money to get me to the destination. Thank you for your time in advance. I can be reached at- 414-687-6574
