My name is Nateya Taylor and I live in the 5th district. I'm also a part of the Food Justice Collective. I am in full support of the City-County Taskforce being created as we continue addressing food apartheid across Milwaukee County.

This taskforce is necessary. It creates accountability, transparency, and ensures that people with lived experience have a seat at the table and are not left on the menu.

I urge the committee to support Item #3, File 26-453.
