

2024 Report to the  
Service Delivery Committee of the  
Commission on Aging  
VENDOR  
PROGRAM

# Please share a success from the first half of 2024.

One of my success stories is with a client who struggled with finding employment over the past year. I was able to get them enrolled in the WISE program and placed at the Milwaukee Christian Center. After working with this client for about a month I was able to assist him with finding unsubsidized employment working at the Fiserv Forum Arena.

# Please share a challenge from the first half of 2024.

- One of the challenges that I faced the first half of 2024 is getting some of my seniors to overcome their fear of getting back in to the workforce. I was able to overcome as well as helping my seniors overcome by doing additional motivational trainings to find new ways of speaking to those individuals that struggled.

# Report on Mid-year 2024 Performance Objectives

	Goal/Actual
Objective 1 Adults receive assistance with apps and coaching	19/40
Objective 2 Public info sessions	10/24
Objective 3 Adults submit benefit/job applications	15/32

**One change I plan for is to get more host agency aboard and to have new positions. I've notice that some seniors are looking for more of a challenge**
