I am concerned about the number of free rides handed out on MCTS buses. It seems all you have to do to avoid paying your fare is say 'Get a ride?' or 'Going to 55th and North'. Many times, not even that; just walk right past the fare scanner. It's getting worse; on some routes hardly any pays anymore; more typically, I'd say 1/4 riders pay nothing. And these are people who own \$500 smart phones and evidently can afford tobacco or pot. I understand drivers don't want to confront riders, but who else will? If you want to enhance your revenue, you might try to put the brakes on this.
