DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- A. Approval of this report authorizes the Director of the Department of Health and Human Services (DHHS) to amend the purchase of contract with Serving Older Adults of Southeast Wisconsin (SOA) from \$1,025,000 to \$1,225,000 effective January 1, 2025, to December 31, 2025. SOA manages programming and meal site supervision at the County's five-owned senior centers.
 - B. Approval of this report would increase the total contract by \$200,000, of which \$195,000 would be dedicated for socialization and programming and \$5,000 for meal site supervision.
 - C. DHHS is able to absorb the cost of the contract increase within the current tax levy with a combination of funding from the Older American Act funding Titles III-B, III-C, and tax levy.
 - D. No assumptions or interpretations were made.
