Interoffice Communication**

DATE: August 30, 2016

TO: Supervisor Theodore Lipscomb Sr, Chairman, Milwaukee County Board of Supervisors

FROM: Maria Ledger, Director, My Choice Family Care

Mr. Chairman:

My Choice Family Care is pleased to announce it has completed the process of transitioning its operations from a department of Milwaukee County Government to a new private, not-for-profit organization effective September 1, 2016. The new operation is formally organized as My Choice Family Care Inc. and will be governed by an independent board comprised of community members, business leaders and medical professionals.

As an independent managed care organization, My Choice is eligible for licensure as an HMO, a requirement to operate a fully integrated model of care such as the State's Family Care Partnership program or other similar programs.

I would like to sincerely thank you for your leadership and assistance through this process. By working together with your office and the County Board of Supervisors, Family Care has been able to position itself to grow and expand; preserve County employment for those staff who choose it; maintain our community provider relationships and most importantly insure that services to our members continues uninterrupted.

Thank you again for all of your help and assistance,

Sincerely,

Maria Ledger
Director, My Choice Family Care
