Inter-Office Communication

Date: May 18, 2018

To: Supervisor James "Luigi" Schmitt, Chair, Committee on Finance & Audit
Supervisor Jason Haas Chair, Committee on Parks, Energy & Environment

From: Jennifer L. Folliard, Interim Director of Audits

Subject: Status Report - Boerner Botanical Gardens Audit (File No. 15-427)

At their meetings in June 2015, the Committees on Finance, Personnel & Audit and Parks, Energy & Environment reviewed our audit report, "Boerner Botanical Gardens Must Address Numerous Needs to Achieve Its Mission," and adopted a resolution indicating County Board concurrence with the report recommendations.

A series of status reports were previously submitted to your committees for the meetings since December 2015, the last being in December 2017, to communicate the progress toward implementation of our audit recommendations. Attached for your review is the current status report noting updated comments (highlighted yellow) for recommendations that were open as of the last status report.

As indicated by Parks' management comments, progress continues toward implementing the outstanding recommendations.

This status report is informational and due to the remaining efforts required to fully implement all recommendations, we plan to provide the next status report for the December 2018 committee cycle.
