DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. Approval of this resolution will **reject** the request from the Office of the Sheriff to increase a professional services contract by \$50,000, from \$99,999 to \$149,999, with Attorney Michael A.I. Whitcomb to provide legal services for Sheriff David A. Clarke, Jr. The item was reviewed by the Committee on Finance and Audit at its meeting on June 16, 2016, as a "passive review" item and the Committee voted to reject the proposed increase.
 - B. The funding for the contract increase was to be absorbed within the Office of the Sheriff's 2016 Adopted Budget.
 - C. By rejecting the increase, the Office of the Sheriff will not spend \$50,000 for the legal services. These monies will remain in the budget to help offset projected shortfalls elsewhere in the department's 2016 budget.
 - D. None.
