

OFFICE OF EMERGENCY MANAGEMENT STRATEGIC GOALS

Establish one external partnership that will advance health equity at the system level.

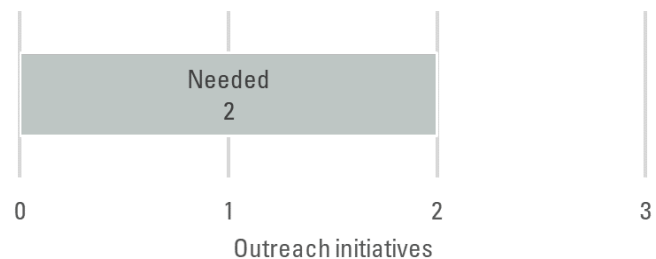

Goal target completion date
6/30/2025

Every zone has developed a Comprehensive Emergency Management Plan by December, 2026.

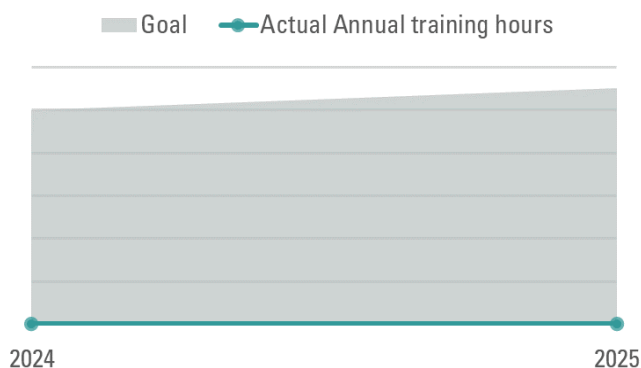

These five zones represent all of Milwaukee County.

Establish two new outreach initiatives by June, 2025.

OEM will identify and implement new community outreach initiatives so that more community members are trained and equipped to become more resilient.

Increase annual employee training hours by 10%.

In 2024, OEM will begin tracking employee training hours and use that as our starting point. OEM's goal is to increase these hours by 10% in 2025.

95% of emergency calls are answered within 10 seconds or less.
