SECTION 1. Chapter 3.01 of the Milwaukee County Code of General Ordinances is hereby amended as follows:

3.01. Apportionment of county board.

(1) *Establishment of redistricting authority.*

Independent redistricting committee. In order to maintain the integrity of the redistricting process and to mitigate any conflicts of interest or claims of politicization, an independent redistricting committee (IRC) shall be established by this Code and shall be convened in accordance with the final published results of the 2020 federal

45 decennial census and every census thereafter to develop all subsequent decennial
46 redistricting plans for Milwaukee County.

47 (2) *Statement of principles.* County supervisory districts are hereafter established so as
48 to represent as nearly as practicable an equal number of persons, but considering
49 such other factors as communities of interest, compactness of territory and
50 contiguity, and continuity and integrity of existing village and city lines and precincts
51 wherever possible, and with the predominant objective of achieving an honest and
52 good faith effort to create the greatest possible equal population distribution among
53 all districts.

54 (a) *Committee criteria.* The IRC's redistricting plan shall comply with the following
55 criteria:

56 (1) Federal equal population mandates.
57 (2) Redistricting criteria established by federal and state laws.
58 (3) Maintenance of voting rights of Hispanic and African American and other
59 citizens as guaranteed in the federal Voting Rights Act of 1965.
60 (4) A map that consists of districts that take into account the integrity of
61 existing neighborhoods and communities of interest within Milwaukee
62 County.

63 (b) *Members.* The IRC shall be composed of six (6) retired judges, appointed by
64 the county board chairperson and confirmed by the county board, who are
65 familiar with Milwaukee County, and maintain a Wisconsin law license in good
66 standing.

67 (c) *Resources.* Milwaukee County shall provide an accessible meeting space and
68 sum sufficient funding for the committee to complete its tasks in a timely
69 manner, including financial support to pay the Southeastern Wisconsin
70 Regional Planning Commission (SEWRPC) to provide the necessary technical
71 assistance and map drafting services as determined by the IRC to carry out its
72 objective.

73 (d) *Compensation.* Members of the IRC shall be compensated in the amount five
74 thousand dollars (\$5,000.00), or a comparable rate of those who serve on
75 similar public committees. This compensation shall only be offered for services
76 rendered during the time frame in which the decennial redistricting process
77 occurs.

78 (3) *Apportionment of supervisory districts.* Eighteen (18) supervisory districts are
79 hereafter established as the county supervisory districts for the spring primary in
80 February ~~2012~~ 2022 and spring election in April ~~2012~~ 2022 and are to remain in
81 effect until the ~~2020~~ 2030 federal decennial population census is certified, or unless
82 and until the number of supervisory districts changes. A county board resolution will
83 be submitted in tandem with the certification of the ~~2020~~ 2030 federal decennial
84 population census and thereafter to adopt the number of supervisory districts
85 established in the recommended county-wide map.

86 (4) *Process.* The IRC shall be appointed no later than July 1 in the year 2021, the end
87 of September in the year 2030, and every decennial period thereafter.

- 88 (a) The IRC will convene as soon as practicable after the U.S. decennial census
89 data is prepared and available to the county. The IRC may elect to convene
90 prior to the publication of the U.S. decennial census data. The IRC will meet no
91 less than once a month after publication of the U.S. decennial census data until
92 a first draft of a county redistricting map is presented to the county board.
- 93 (b) Adoption of the map by the county board shall be by a simple majority of the
94 supervisors then seated. The map and any subsequent drafts proposed by IRC
95 shall be voted on by the county board.
- 96 (c) If the county board does not adopt the proposed map within thirty (30) days,

98 heeding public and elected official comment.
- 99 (d) The IRC's second draft of the map, if any, shall be returned to the county board
100 within twenty (20) days. If the county board does not adopt the proposed

110 redistricting services to all nineteen (19) municipalities, at the expense of the
111 county.
- 112 (a) All municipalities are requested to utilize Milwaukee County's redistricting
113 committee and resources to allow for a consistent and uniform model and
114 mapping structure.
- 115 (b) Any municipality that declines to utilize Milwaukee County's redistricting
116 services shall be requested to provide a detailed written report on their
117 individual redistricting process and costs, to include the corresponding maps,
118 population numbers, and demographics as determined by their respective
119 system.
- 120 (c) Municipalities will retain final approval of their respective municipal redistricting
121 maps regardless of which agency's redistricting process and services they
122 utilize.
- 123 (6) *Committee operations.* The IRC shall convene and timely complete its work as
124 required by state statute and federal law. The IRC shall hold no fewer than four (4)
