DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The DHHS Director is requesting authorization to execute contracts with local municipalities and the North Shore Fire Department for the provision of Paramedic Services in Milwaukee County.

The County of Milwaukee and the local municipalities providing advanced life support (ALS) emergency medical care to their citizens entered into a four-year agreement for the provision of Paramedic Services that began on January 1, 2013 and extends through December 31, 2016. These third year contacts with the Cities of Franklin, Greenfield, Milwaukee, Oak Creek, South Milwaukee, Wauwatosa, West Allis, the Village of Greendale, and the North Shore Fire Department cover the period January 1 through December 31, 2015.

B. Total 2015 expenditures included in this request are \$1.5 million. Per the contract, the amount provided to the municipalities will be at least \$1.5 million annually in years 2014 to 2016, but the exact allocation will include any supplemental funds that may be included in the annual Milwaukee County adopted budget.

C. There is no tax levy impact associated with approval of this request in 2015 as funds sufficient to cover associated expenditures are included as part of the Emergency Medical Services (EMS) Division 2015 Budget.

D. No assumptions are made.
