

OFFICE OF THE COUNTY EXECUTIVE

Chris Abele

MILWAUKEE COUNTY EXECUTIVE

DATE: October 29, 2019
TO: The Honorable Milwaukee Board of Supervisors
FROM: Chris Abele, Milwaukee County Executive
RE: County Board File No. 19-739

I am returning file 19-739 to you unsigned. I respect the Supervisors' desires to promote better accountability for Milwaukee County. While I believe the current structure of governance accomplishes that objective with oversight from multiple independently-elected officials, I am leaving this file unsigned to allow a new County Executive to formulate his/her own opinion.
