DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

- A. The resolution proposes to establish a Joint Task Force on Community Identification Cards between the City and County. If approved, the Joint Task Force will be created and will negotiate a Memorandum of Understanding between the County and the City of Milwaukee on community identification cards. Once the Memorandum is completed it will be presented to the Milwaukee County Board of Supervisors and, if approved, will authorize the release of the \$150,000 in the allocated contingency account in the Office of Government Affairs.
- B. The creation of a Joint Task Force on Community Identification Cards will not require an expenditure of funds.
- C. The creation of the task force has no direct county fiscal impact, however, existing staff time may be necessary to effectuate this resolution.
- D. No assumptions or interpretations were used.
