Thank you to the committee for listening to public comment on this issue.

I am a blind professional who lives in the Milwaukee Metro area. I am also a mother of young children who are also residents of Milwaukee county. An on demand service would greatly assist me in my career, getting me to and from work engagements. It would also helpi me with child related activities and emergencies. My children deserve as normal a childhood as a blind mother can provide. Please help parents and workers with disabilities in attaining that slice of normalcy. Thank you for your time.
