

OFFICE OF THE COUNTY EXECUTIVE

Chris Abele

MILWAUKEE COUNTY EXECUTIVE

DATE: April 19, 2017

TO: The Honorable Milwaukee Board of Supervisors

FROM: Chris Abele, Milwaukee County Executive

RE: County Board File No. 17-263 – Environmental Impact Statement

I am returning file 17-263 unsigned because the County no longer owns this property. Furthermore, the environmental impact of dam removal has been studied internationally and the evidence is conclusive that dam removal has positive impacts on the environment and the health of the river.
