## DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.<sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

The Clerk of Courts is requesting a change in the pay grade assignment of the positions of Ninety One Deputy Court Clerks, job code 8780, to bring the Deputy Court Clerk positions that are paid below the new recommended range minimum. The position of Deputy Court Clerks is critical to courtroom operation.

The computation is derived by the difference between the old pay rate 19Z minus the new rate 25K and added an additional cost to bring the difference between the new pay grade 25K and new minimum or new neutral.

The total increase in expenditures will amount to \$91,413.53, from which \$81,800.68 will be absorbed from the 2016 budget approved amendment (1A007), Org unit 1940 Adopted Budget and the remaining \$9,612.85 will be absorbed from the operating budget of Combined Courts. For subsequent years, the Combined Courts would budget accordingly for the proposed increases.
