Wisconsin Emergency Management
2400 Wright Street, P.O. Box 7865

Dear Ms. Sommers:

Thank you for submitting the Milwaukee County Hazard Mitigation Plan update for our review. The plan was reviewed based on the local plan criteria contained in 44 CFR Part 201, as authorized by the Disaster Mitigation Act of 2000. Milwaukee County met the required criteria for a multi-jurisdiction hazard mitigation plan. **Formal approval of this plan is contingent upon the adoption of the plan by the county.** Once FEMA Region V receives documentation of adoption we will send a letter of official approval to your office.

We look forward to receiving the adoption documentation and completing the approval process for the Milwaukee County plan.

If you or the community has any questions, please contact Christine Meissner at (312) 408-4460 or christine.meissner@fema.dhs.gov.

Sincerely,

The Federal Emergency Management Agency (FEMA) has notified Wisconsin Emergency Management (WEM) that the *Milwaukee County Hazard Mitigation Plan 2016* has met the required criteria for a multi-jurisdictional hazard mitigation plan.

The County and participating jurisdictions **must now adopt the plan in order to have a FEMA-approved hazard mitigation plan and be eligible for funding through the Hazard Mitigation Grant Program, Pre-Disaster Mitigation program, and the Flood Mitigation Assistance program.**

The enclosed Local Mitigation Plan Review Tool does not include recommended revisions for the five-year update.
