

OFFICE OF THE COUNTY EXECUTIVE

Chris Abele

MILWAUKEE COUNTY EXECUTIVE

DATE: October 30, 2017
TO: The Honorable Milwaukee Board of Supervisors
FROM: Chris Abele, Milwaukee County Executive
RE: County Board File No. 17-493A

I am returning file 17-493A to you unsigned. This file continue to delay the full creation of the Office on African American Affairs by denying funding for staff. Without staff, the Office will not be able to make progress. With the state of inequities in the African American community, this delay is unnecessary and unacceptable.
