“I am interested in serving on the Board of Trustees with the Milwaukee County Federated Library System. I am currently a Trustee on the South Milwaukee Public Library Board having served since 2018. In addition, I sit on the Building Committee tasked with providing guidance regarding the library’s infrastructure. During my tenure, the South Milwaukee Public Library has faced great challenges and seen many changes requiring a sustained level of dedication, by all Board Trustees, to uphold the mission of fostering a welcoming and innovative learning environment to be enjoyed by all who pass through its doors.

In closing, as a member of the Board of Trustees I’d exhibit this same level of dedication to the Milwaukee County Federated Library System in helping to carry out its duty of providing responsive and innovative library services to meet the needs of Milwaukee County residents.”
