

April 2019 Board Cycle

Milwaukee County Parks
9480 Watertown Plank Rd.
Wauwatosa, WI 53226
(414) 257-PARK

Date: March 21, 2019
To: Theodore Lipscomb, Sr., Chairman, County Board of Supervisors
From: Guy Smith, CPRP, Executive Director, Milwaukee County Parks
Subject: **Agricultural Lease Agreements (ACTION)**

Issue

Authorizing Milwaukee County Parks to retroactively enter into Agricultural Lease Agreements with individual farmers for the benefit of Milwaukee County land.

Background

Parks manages 881 acres of agricultural land for the purpose of growing and harvesting agricultural row-crops, vegetable crops, and hay. The agricultural lands held by the county are located within designated primary environmental corridors as defined by Southeastern Wisconsin Regional Planning Commission (SEWRPC). A primary environmental corridor is defined as "concentrations of significant natural resources at least 400 acres in area, at least two miles in length, and at least 200 feet in width." The majority of these sites are located along the Oak Creek, Ryan Creek, and Root River and are prone to high water tables or seasonal flooding. In addition, keeping these lands in production deters invasive plant species from overtaking the land.

Parks leases this land to both individual farmers and non-profit community-based organizations. Each lessee is responsible for working with Milwaukee County Parks on the development of a Conservation Plan specific to their parcel(s) to reduce soil loss, achieve water quality goals, and protect the natural resource base. Parks' Natural Areas section manages all agricultural leases for the department.

The term of each lease is selected based on factors such as the conservation method, the crop rotation cycle, and the likelihood that the parcel may cease to be available for farming. Rent payments vary due to the size of the parcel and were developed based on United States Department of Agriculture and State of Wisconsin Department of Agriculture, Trade and Consumer Protection fair market value rates for southeastern Wisconsin.
