**SECTION 1.** Chapter 15.17 of the General Ordinances of Milwaukee County is amended as follows:

15.17. - Departmental Imprest fund.

- (1) Departmental Imprest funds may be created from time to time by resolution of the county board for the purpose of enabling county departments to make direct disbursements in cases where such disbursements cannot be handled in the regularly prescribed manner. Expenditures from such departmental Imprest funds shall be vouchered periodically by the respective department heads so that the Imprest fund will be reimbursed for disbursements made. The sum of the unreimbursed items and cash on hand or in bank shall at all times equal the authorized Imprest fund. It shall be the policy of the county to limit disbursements from the respective departmental Imprest funds to only those items that cannot be paid in the regularly prescribed manner as, for example, postage, express charges, emergency relief grants, etc., except as specified in section 46.03 for the Imprest fund of the department of health and human services.
- (2) The following is a schedule of authorized Imprest funds. Any part of such Imprest funds authorized to be deposited in a public depository as indicated in each subsection of this section, may be withdrawn by check signed by the highest ranking official of each department or by an incumbent of a position so designated by such departmental official.
