

Veto Message – For Entry into the Journal of the Milwaukee County Board

Pursuant to Wis. Stat. § 59.17(6), I, County Executive David Crowley, have vetoed File Number 21-378, “A resolution reaffirming Milwaukee County’s opposition to further expansion of Interstate 94.” My objection to this item stems from the lack of process, public notice and comment, and committee involvement. I return this item to the Board in the hopes that this item will be referred to committee for full procedural consideration under Milwaukee County Ordinance 1.04(f)(3).
