At its meeting for the April 2020 cycle, the Committee on Economic and Community Development reviewed our audit report, "Pulling Back the Curtain: A Look at Milwaukee County's Workforce through Racial and Gender Equity Lenses from 2009 to 2019," and the resolution indicating County Board concurrence with the report recommendations was adopted.

Attached is a copy of the "ASD Highlights" page for general information about our audit. The full audit report can be accessed on the Comptroller's website via the following link:

As requested during the October 2020 Audit Committee meeting, attached is the updated (second) status report from Human Resources Department management communicating its current progress toward implementation of the eight audit recommendations made in our audit report

This status report is informational. Due to the remaining efforts required to implement the recommendations, we will facilitate the submission of Human Resources management's next status report for the July 2021 committee meeting cycle.
