DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A) Section 46.09 of the Milwaukee County Code of General Ordinances requires County Board approval for the purchase of human services from nongovernmental vendors. Per Section 46.09, the Director of the Department of Health and Human Services (DHHS) is requesting authorization to extend the 2012 purchase of service (POS) contract with Our Space for the Behavioral Health Division (BHD). At the December Board meeting, the Our Space proposed purchase of service contract was changed to a four-month time frame pending audit results.

B) DHHS is requesting to extend the 2012 purchase of service contracts with Our Space for Consumer Support services by \$141,975, to a total of \$212,962 for the time period of May 1 – December 31, 2012. DHHS is also requesting that the Our Space contract for Peer Support be increased by \$22,533, to a total of \$67,600 for the time period of May 1 – June 30, 2012. Approval of the recommended contract allocations, as specified in the attached resolution, will allow for BHD to continue to provide needed client services and complete the audit of the Peer Support program.

C) Sufficient funds are budgeted in the 2012 BHD Budget.

D. No assumptions/interpretations.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
