Type of placement with the Division of Juvenile Corrections

As of May 22, 2019, there were a total of 57 boys at Lincoln Hills (17 on Serious Juvenile Offender Orders and 40 on regular DOC commitments). There were four girls at Copper Lake (one on Serious Juvenile Offender Order and three on regular DOC commitments). Milwaukee County took over the Aftercare supervision from the State of Wisconsin effective July 1, 2017 for all non-Serious Juvenile Offender (SJO) youth. All DOC-DJC youth placed in the community were assigned to a DYFS Human Service Worker who is providing supervision and case management for the kids and their families. The youth are all receiving appropriate services in the community to include, but not limited to, GPS monitoring for the initial 30 days or more in the community, intensive monitoring, clinical services, etc. As of May 22, 2019, there were 18 youth who were on Aftercare in the community. Of those youth, 12 are placed in-home, one in the Criminal Justice Facility, one in the House of Corrections, two in youth detention, and two are placed out-of-home. As of the time of this report, four youth are currently missing, and Capias/apprehension requests have been issued for all.

The current average daily population (ADP) of Milwaukee County youth in Lincoln Hills and Copper Lake Schools (excluding youth in the SJO Program under a state commitment) has fallen from 104 to 54 from January 2016 to April 2019. Please see the chart below:
