## DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

Approval of this resolution will authorize the transfer of three positions to the DAS-Central Business Office, retroactively to January 1, 2015, including:

- Accountant 1 (from Office of Emergency Management)
- Coordinator Administrative (from DAS Real Estate Service)
- Clerical Specialist IMSD (from DAS Information Management Services Division (IMSD))

The resolution would also authorize the transfer of monies from each of the divisions/departments to the DAS-CBO effectuate the transfer of the positions. (These positions have been effectively been assigned to the DAS-CBO since the beginning of 2015 but were originally assigned to different org. units in the 2015 Adopted Budget)

There is not tax levy impact associated with this resolution. The 2016 Adopted Budget includes these positions in the DAS-CBO and therefore would have no impact in fiscal year 2016.
