## DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Department of Health and Human Services (DHHS) is requesting to create 1.0 FTE Community Intervention Specialist position to be located at the House of Corrections (HOC).

B. The new 1.0 FTE Community Intervention Specialist position would be at pay grade 24, with a pay range of \$52,843 - \$61,209 for salary (\$56,843 - \$66,221 with salary and social security. DHHS assumes filling the position in Pay Period 21. The direct cost impact for 2021 is \$13,183 in expenditures (including salary and social security) for 1.0 FTE Community Intervention Specialist position (if filled at step 1).

C. There is no direct cost impact in 2021 to create 1.0 FTE Community Intervention Specialist position at Step 1 as the position is being paid for by an Interdepartmental Fund Transfer from the HOC maintenance budget (account 60600) that is not going to be fully expended in 2021. HOC has budgeted a crosscharge with the DHHS for this in its 2022 budget.

D. Assumptions include: Filling the 1.0 FTE at step 1 in pay period 21.
