DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

-
- A. Approval of this resolution will authorize the carryover of unspent Opioid Settlement Funds allocated to Cohort 1 projects through 12/31/26. The projects will address the opioid crisis across Milwaukee County through treatment, harm reduction, prevention, and other strategies as approved in the national settlement agreements.
 - B. Approval of this resolution will provide additional time for programs to spend their allocated funds. It will not impact the tax levy or provide additional funds to new or currently funded projects.
 - C. Approved County Board Resolution 21-1127 called for establishing a segregated Opioid Abatement Account not part of the general fund. Costs for these 15 projects are anticipated to be incurred effective December 31, 2026.
 - D. No assumptions or interpretations were made when preparing this fiscal note.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
