(ITEM) From the Director, Department of Transportation, requesting authorization to establish not-to-exceed rates governing freeway towing services effective August 1, 2016, by recommending adoption of the following:

A RESOLUTION

WHEREAS, freeway towing is generally governed by Section 349.13(4), Wisconsin Statutes; and

WHEREAS, freeway towing within Milwaukee County (the County) is governed by Appendix C, Section 23, of the Milwaukee County Code of General Ordinances (the Code); and

WHEREAS, pursuant to the Code, the Milwaukee County Board of Supervisors shall establish not-to-exceed rates governing freeway towing services; and

WHEREAS, removal of vehicular hazards to freeway travel is at the sole discretion of the Milwaukee County Sheriff’s Office (the Sheriff), and the freeway towing program is administered by the Milwaukee County Department of Transportation Director’s Office (MCDOT) on behalf of the Sheriff; and

WHEREAS, freeway towing is currently divided into five geographical sectors covering the County; and

WHEREAS, the current rates have been in place since April 1, 2011, and are requested to be increased based upon February 2016 market research conducted by MCDOT staff to ensure the County is attracting sufficient competition by allowing towers to charge competitive rates as well as cover the County’s cost for ongoing program oversight and administration; and

WHEREAS, the Committee on Transportation, Public Works, and Transit, at its meeting of May 11, 2016, recommended adoption of the Director’s request (vote 4-1); now, therefore,

BE IT RESOLVED, the Director, Department of Transportation, is authorized to establish the following not-to-exceed rates governing freeway towing services effective August 1, 2016:
