- (a) Three (3) members to be appointed by the county executive (subject to confirmation by two-thirds (2/3) or more of the members-elect of the county board), for a term of three (3) years.
- (b) Two (2) members appointed by the county board chairperson (subject to the confirmation of the county board and to county executive approval or veto, with proceedings on veto), for a term of three (3) years.
- (c) Three (3) elected employee members who are not members of the Milwaukee Deputy Sheriffs Association. The employee board members shall be members of the system and shall be elected by members of the system, other than members of the Milwaukee Deputy Sheriffs Association. Effective for employee elections occurring after April 1, 2012, employees who work for the Employees Retirement System, Department of Human Resources or Corporation Counsel are not eligible for election to, or service on, the pension board. The board may adopt rules and regulations governing such election including a division of county employees into groups for the purpose of electing one (1) employee member of the board from among the employees of each group. However, no such group may include members of the Milwaukee Deputy Sheriffs Association.
- (d) One retiree member who shall be a member of the system and who shall be elected by retired members.
- (e) One employee member of the Milwaukee Deputy Sheriffs Association for a term of three (3) years who must be an active County employee upon appointment and throughout his or her term(s). This member shall be appointed by the Executive Board of the Milwaukee Deputy Sheriffs Association utilizing a method for selection that the Executive Board deems appropriate. Once appointed, this member may not be removed by the Executive Board of the Milwaukee Deputy Sheriff Association.
- (f) Appointing authorities shall ensure that the employee members of the pension board are released from their work assignments to attend meetings of the pension board and any other meeting related to pension board business for which public notice is required which occurs during their regularly scheduled work shift.
