DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

- A. Approval of this resolution will authorize an allocation of \$37,500 from Org. Unit 1945 – Appropriation for Contingencies to Org. Unit 8000 – Department of Health and Human Services. The purpose of this allocation is to contract with the vendor selected by the City of Milwaukee that will provide a Safe Zone in the Amani neighborhood in the City of Milwaukee. This resolution also authorizes the Comptroller to process a payment of \$25,200 using funds from the House of Correction, exempting all requirements under Chapters 32 and 56 of the Milwaukee County Code of Ordinances regarding contracts, compensation, and work to the Milwaukee Inner City Congregations Allied for Hope (MICAH) for its work on development of the youth portion of a violence prevention plan.
- B. The cost of the proposed action will be a transfer of \$37,500 from the Appropriation from Contingencies and the payment of \$25,200 to MICAH.
- C. The budgetary impact in the current year is the \$37,500 to be taken out of Org. Unit 1945 – Appropriation for Contingencies. The \$25,200 to be paid to MICAH has been appropriated to the HOC in the 2016 Adopted Budget.
- D. No assumptions or interpretations were utilized for the information on this form.
