INTEROFFICE COMMUNICATION

**Office of the Comptroller**  
Scott B. Manske, Comptroller

DATE: May 23, 2017  
TO: Chairman Theodore Lipscomb, Sr.  
RE: Information on Employees in Pay Ranges Not Authorized by the County Board.

Per your request, I am attaching a spreadsheet which lists the employees that are currently in "pay ranges" that were not authorized by the County Board. I have also included their department information, current salary, as well as the last known, board approved "pay grade" for the position. The last column indicates by asterisk if we were unable to determine a last known, board approved pay grade. This occurred in cases where a position was newly created or reclassified into a position directly into the pay range system and thus, never existed in the pay grade system.

We have not yet shared this information with the Department of Human Resources, so there may be cases where a position is reverted to a different pay grade than listed on this report.

Please feel free to contact me (ext. 4199) or CJ Pahl (ext. 4174) with any questions.
