Protect Your Officers & Your Agency

Law enforcement pays out more than \$2.5 billion dollars annually on complaints and lawsuit settlements alone. On-officer cameras can reduce those complaints by 90%, saving agencies and tax payers money.

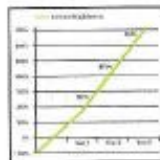

150 + Million Americans Have Video

Don't let a 3-second clip be the judge of your actions. Capture the whole incident, not just the last few seconds.

Enhance Public Trust

An IACP report shows 48% of the public would be less likely to file a complaint if video was present.*

A 694% Return on Investment

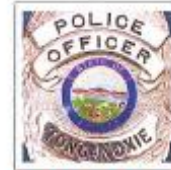

Agencies who use the AXON system with EVIDENCE.com services are seeing up to a 694% return on their investment within three years. Agencies are breaking even within 4.1 months.

EVIDENCE.com

Our Digital Evidence Management System is Easy to Setup and Simple to Use

TONGANOXIE PD, KS

"We were in a position of having **critically failing in car video cameras and a failing server to store the videos.** Since deploying the AXON and EVIDENCE.com solution, we have seen our **complaints diminish to nearly non-existence. Uses of force have been rare.** Morale, acceptance of the camera, and protection for each individual officer has **sky rocketed.**"

Officers Need Protection Too

EVIDENCE.com, paired with on-officer video, reduces both complaints and lawsuits against officers. Secure video evidence protects your officers from false accusations, and saves your department money.

Secure Evidence

The video is secured and encrypted to a highly secure data center. A digital fingerprint is created for every evidence file, to ensure the original file is secured. The system is complete with a full chain of custody tracking.

Keep Officers on the Street – Not at the Desk

Less paperwork results in a 9.2% increase in officer patrol time – boosting law enforcement visibility in the community.
