Makes perfect sense! Is the department officially withdrawing file 14-389?

If so, I will change the file status in Legistar to withdrawn.

Hi Janelle: The previous file – (14-217) – includes the JCO Supervisor position (which was a stand-alone request in 14-389.) Therefore, since we are proceeding with file 14-217, it is not necessary to move forward with 14-389.

I hope this makes sense. Let me know if you have any questions.

Thanks.

Judy

Good Morning Judy:

I contacted the Department of Administrative Services and requested their report, resolution, and fiscal note for this position.

Mr. Fortman indicated that this request was not moving forward this cycle since the previous file submitted (14-217) has been referred. He further indicated that DHHS was aware of this.

In the event that DHHS still wants file 14-389 to move forward, I cannot schedule it until I receive the report, resolution, and fiscal note from DAS that addresses just this position as a stand alone item.

Best,

14-389

From the Director, Department of Health and Human Services, requesting authorization to create one position of Juvenile Correction Officer Supervisor at the Juvenile Detention Center within the Delinquency and Court Services Division

I will get the original over and agenda-setting copies. I know HR/DAS has already worked on this because it was submitted back in February, along with that Deputy Superintendent position. Hopefully, since they have done their work already, this will be pulled together in time for the May cycle.

Let me know if you need anything else, Janelle.

Thanks!
