A resolution to **RECEIVE AND PLACE ON FILE** (vote 5-0) an informational report from the Security Director of the Department of Administrative Services - Facilities Management Division, dated February 14, 2024, regarding an update on Milwaukee County’s ongoing security technology modernization project. The report outlines the progress made in implementing critical security upgrades, including the CCure 9000 access control system, the Genetec surveillance platform, and the development of a centralized Security Command Center.
