DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- A. Approval of this report authorizes the Director of the Department of Health and Human Services (DHHS) to increase the 2025 fee-for-service contract with WHC MKE, LLC dba zTrip from January 1, 2025 through December 31, 2025 by \$24,000, from \$1,471,031 to \$1,495,031, and to increase the amount authorized for the 2026 fee-for-service contract with WHC MKE, LLC dba zTrip by \$2,393, from \$1,468,638 to \$1,471,031.
- B. Approval of this report would amend the total 2025 contract not-exceed limit by \$24,000 and increase the 2026 contract amount by \$2,393 to adjust the contract amount to \$1,471,031, the original 2025 contract amount. The increase is warranted to support the growth in service demand costs.
- C. DHHS is able to absorb the cost of the contract increase with its additional Older Americans Act Title III-B funding allocation for supportive services.
- D. No assumptions or interpretations were made.
