Thanks, Cheryl. I believe that Sup. Broderick intended to completely withdraw this item (not just from the September agenda, but completely). At your convenience, could we please clarify?

With a complete withdrawal, the item will stop automatically generating in my monthly agendas. I think that's what he wanted.

Thanks,
Alexis

Subject: Remove Parnell Woods resolution from PEE agenda

Alexis,

At the request of Supervisor Broderick, please remove Parnell Woods resolution from the Parks, Energy & Environment meeting.

If you have any questions, feel free to contact the office.

Have a wonderful holiday weekend!
