WHEREAS, department requests for transfers within their own accounts have been received by the Department of Administrative Services, Office of Performance, Strategy and Budget, and the Director finds that the best interests of Milwaukee County will be served by allowance of such transfers;

THEREFORE, BE IT RESOLVED, that the Director, Department of Administrative Services, is hereby authorized to make the following transfers in the 2016 appropriations of the respective listed departments:

1)	<u>From</u>	<u>To</u>
<u>4500 – District Attorney</u>		
2299 – State Grants	\$50,073	
5199 – Salaries and Wages		\$30,848
5312 – Social Security Taxes		\$2,360
5420 – Employee Health Care		\$10,182
5421 – Employee Pension		\$3,763
8557 – New Computer Equipment – Capital		\$2,920

The County Board, Legistar file number 15-736, authorized the District Attorney to apply for supplemental Cictims of Crime Act (VOCA) funding from the Wisconsin Department of Justice, and to accept the supplemental VOCA grant funding if awarded, for District Attorney participation in the new Sojourner Family Peace Center initiative at 6<sup>th</sup> and Walnut Streets in Milwaukee.

On January 5, 2016, the Wisconsin Department of Justice notified the District Attorney of the award of supplemental VOCA funding of \$83,760 (\$67,705 federal VOCA funds +\$16, 755 local match) for the salary and, and an additianl laptop for the District Attorney’s crisis response unit. The County Board file number 16-64, created the new victim/witness advocate authorized by the supplemental VOCA funding, effective February 14, 2016.

This appropriation fund transfer provides 2016 budgetary authority for the expenditures and offsetting revenue under the supplemental VOCA grant award authorized by County Board resolutions, Legistar file numbers 15-736 and 16-64. The estimated expenditures and offsetting revenue are based on the assumption that the new victim/witness advocate position will be filled on February 29, 2016. There is no County tax levy effect because the 20 percent local match required for this VOCA project will be absorbed in the District Attorney’s existing 2016 budget.

2)	<u>From</u>	<u>To</u>
<u>5600 – Transit/Paratransit</u>		
8201 - Transit Operations		\$20,000
8902 - Contingencies	\$20,000	

# DRAFT

Fiscal Year 2016

The Director of the Milwaukee County Department of Transportation (MCDOT) is requesting an appropriation transfer to realign expenditure authority in the amount of \$20,000 from an allocated contingency account within the Transit/Paratransit operating budget to the transit operations account.

Amendment 1A012 to the 2016 Milwaukee County Adopted Budget placed \$20,000 into an allocated contingency account within MCDOT for the purpose of providing free bus rides for individuals traveling to receive identification documents, and/or register to vote. To this end, MCTS has created a program to provide transportation grants to local non-profits and civic groups that provide assistance in this area. Through this program, individuals may obtain a free 2-ride electronic MCard in order to assist them in reaching the Department of Motor Vehicles to obtain an ID or to reach a location to register. Partnering nonprofits will screen and track the individuals, and submit their data to MCTS for central tracking purposes. MCTS staff worked with voteriders.org, Citizens Action of Wisconsin, Wisconsin Jobs Now! and the Milwaukee County Elections Commission to develop this plan.

No property tax levy impact occurs from approval of this appropriation transfer.

The Director of My Choice Family Care requests an appropriation transfer in the amount of \$24,202,208 in order to align the operating revenues and corresponding expenditures authority for the Department with updated projections based on actual experience for the fiscal year 2016 budget. MCFC provides the Family Care benefit package for all eligible residents age 18 and older residing in the counties of Milwaukee, Racine, Kenosha, Washington, Walworth, Waukesha, Sheboygan, and Ozaukee.

On December 17, 2013 the County Board adopted Resolution File No. 13-920 which requested authorization for the department of Family Care (DFC) to execute a contract with the State of Wisconsin Department of Health Services (DHS) to operate a managed care organization in the above-mentioned counties for the period of January 1 to December 31, 2016 and to accept the funding thereunder.

The appropriation transfer reflects a net revenue increase in the amount of \$10,973,215 which can be attributed to the updated enrollment forecast and the change in capitated payments received from the DHS for 2016 (net increase: \$9,807,138), as well as, revisions to the projection for Member Share revenue to align with actual experience (net increase: \$566,077) and an increase of \$600,000 in miscellaneous revenues. In addition to these revenue sources, changes are requested to the Contribution from Reserve (decrease \$3,988,843) to align with updated projections for 2016 actual experience. The contribution from reserve is no longer projected based on changes to enrollment, a capitation rate increase and capitated payments; a contribution to reserve is used to balance this transfer in the amount of \$555,179.

The appropriation transfer reflects a net expenditure increase in the amount of \$6,429,193 which can be attributed to the following:

- 1) Updated member enrollment forecast and corresponding increase in member services claims (net increase \$4,355,497);
- 2) Increase in professional service accounts and contracted services to ensure adequate funds for projects initiated in 2015 that continue into 2016 (increase \$2,109,570);
- 3) Projected decrease for bad debt expense (\$35,874); 4) the contribution to reserve mentioned above (\$555,179).

No property tax levy impact occurs from approval of this appropriation transfer.
