**INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY SCHEDULES  
OF EXPENDITURES OF FEDERAL AND STATE AWARDS**

To the Board of Supervisors of the  
County of Milwaukee, Wisconsin:

**Report on the Schedules of Expenditures of Federal and State Awards**

We have audited the accompanying Schedules of Expenditures of Federal and State Awards (the "Schedules") of the County of Milwaukee, Wisconsin (the "County") for the year ended December 31, 2013, and the related notes to the Schedules.

The financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Milwaukee, Wisconsin, as of and for the year ended December 31, 2013, which collectively comprise the County of Milwaukee's basic financial statements have been audited and a report dated July 31, 2014 has been issued separately by other auditors.

**Management's Responsibility for the Schedules of Expenditures of Federal and State Awards**

Management is responsible for the preparation and fair presentation of the accompanying Schedules of Expenditures of Federal and State Awards in accordance with accounting principles generally accepted in the United States of America. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedules that are free from material misstatement, whether due to fraud or error.

The basic financial statements are the responsibility of the County of Milwaukee's management.

**Auditors' Responsibility**

Our responsibility is to express opinions on the Schedules of Expenditures of Federal and State Awards based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the provisions of Office of Management and Budget

Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and the provisions of the *State Single Audit Guidelines* issued by the Wisconsin Department of Administration. Those standards, Office of Management and Budget Circular A-133 and *State Single Audit Guidelines*, require that we plan and perform the audit to obtain reasonable assurance about whether the Schedules of Expenditures of Federal and State Awards are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedules. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedules, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the County's preparation and fair presentation of the Schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedules.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinion**

In our opinion, the Schedules of Expenditures of Federal and State Awards referred to above present fairly, in all material respects, the results of the County of Milwaukee, Wisconsin's operations of Federal and State awards for the year ended December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL AND MAJOR STATE PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS REQUIRED BY OMB CIRCULAR A-133 AND THE STATE OF WISCONSIN SINGLE AUDIT GUIDELINES (“STATE”)**

To the Board of Supervisors of the  
County of Milwaukee, Wisconsin

**Report on Compliance for Each Major Federal and Major State Program**

We have audited the County of Milwaukee, Wisconsin’s compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement and the State of Wisconsin Single Audit Guidelines that could have a direct and material effect on each of the County of Milwaukee, Wisconsin’s major federal and major state programs for the year ended December 31, 2013. The County of Milwaukee, Wisconsin’s major federal and major state programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

**Management’s Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and state programs.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on compliance for each of the County of Milwaukee, Wisconsin’s major federal and major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and with *State Single Audit Guidelines* issued by the Wisconsin Department of Administration.

To the Board of Supervisors of the  
County of Milwaukee, Wisconsin

Those standards, OMB Circular A-133 and the *State of Wisconsin Single Audit Guidelines*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or major state program occurred. An audit includes examining, on a test basis, evidence about the County of Milwaukee, Wisconsin's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and major state program. However, our audit does not provide a legal determination of the County of Milwaukee, Wisconsin's compliance.

#### **Opinion on Each Major Federal and Major State Program**

In our opinion, the County of Milwaukee, Wisconsin complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and major state programs for the year ended December 31, 2013.

#### **Other Matters**

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with OMB Circular A-133 or the *State of Wisconsin Single Audit Guidelines* and which are described in the accompanying schedule of findings and questioned costs as item 2013-1. Our opinion on each major federal and major state program is not modified with respect to these matters.

#### **The County of Milwaukee's Responses to Findings**

The County of Milwaukee, Wisconsin's responses to the noncompliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County of Milwaukee, Wisconsin's responses were not subjected to the auditing procedures applied in the audit of compliance and accordingly, we express no opinion on the responses.

#### **Report on Internal Control Over Compliance**

Management of the County of Milwaukee, Wisconsin is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County of Milwaukee, Wisconsin's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal or major state program to determine the auditing procedures that are appropriate

To the Board of Supervisors of the  
County of Milwaukee, Wisconsin

in the circumstances for the purpose of expressing an opinion on compliance for each major federal and major state program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the *State of Wisconsin Single Audit Guidelines* but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County of Milwaukee, Wisconsin's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis.

*A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

*A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Purpose of this Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133 and the *State of Wisconsin Single Audit Guidelines*. Accordingly, this report is not suitable for any other purpose.

REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditors' Report

To the Board of Supervisors  
of the County of Milwaukee, Wisconsin

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County of Milwaukee, Wisconsin as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the County of Milwaukee's basic financial statements, and have issued our report thereon dated July 31, 2014. Our report includes a reference to other auditors who audited the financial statements of the Milwaukee County War Memorial Center, Inc., the Marcus Center for the Performing Arts, and the Milwaukee County Research Park Corporation, as described in our report on the County of Milwaukee's financial statements. The financial statements of the Milwaukee Public Museum, Inc., the Milwaukee County War Memorial Center, Inc., the Marcus Center for the Performing Arts, and the Milwaukee County Research Park Corporation were not audited in accordance with *Government Auditing Standards*.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the County of Milwaukee's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County of Milwaukee's internal control. Accordingly, we do not express an opinion on the effectiveness of the County of Milwaukee's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To the Board of Supervisors  
of the County of Milwaukee, Wisconsin

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the County of Milwaukee's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

\*\*\*Discussions with Department of the Treasury and Department of Justice staff indicates that currently no CFDA number has been assigned to Asset Forfeiture items. Both agencies indicated they would notify Asset Forfeiture recipients as information becomes available. Only current year Asset Forfeiture actual receipts and disbursements are shown due to uncertainty of revenue flows and amounts to be received. Expenditures are predicated only on prior receipts and specific identifications of grant periods are indeterminable.

COUNTY OF MILWAUKEE

**NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS**

FOR THE YEAR ENDED DECEMBER 31, 2013

1. **SCOPE OF AUDIT**

The County of Milwaukee (County) is a governmental entity established by laws of the State of Wisconsin and has the powers of a body corporate, as defined in the Statutes. All significant operations of the County are included in the scope of the Single Audit in accordance with the provisions of the OMB Circular A - 133 and the State Single Audit Guidelines issued by the State of Wisconsin, Department of Administration. The U.S. Department of Transportation has been designated as the County's cognizant agency for the Single Audit.

(a) **Programs Subject to Single Audit**

All Federal awards received by the County directly from the Federal government or passed through the State of Wisconsin have been included in the Schedules of Expenditures of Federal Awards. All State Awards received by the County have been included in the Schedules of Expenditures of State Awards.

(b) **Fiscal Period Audited**

Single Audit testing procedures were performed for program transactions occurring during the calendar year ended December 31, 2013.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

(a) **Accrued and Deferred Balances**

Revenues (which include grantor reimbursement and local funding) are reported on the cash basis of accounting, whereas expenditures are reported on the accrual basis. The difference between the reported revenues and expenditures can result in accrued or deferred balances at the end of the year. These balances are reversed in subsequent periods.

For the County of Milwaukee Office of Sheriff – Sheriff Department only:  
The 2013 Single Audit Report identifies corrections necessary to the beginning balance reported in 2013 from the ending balance in the 2012 Single Audit Report. Each project contains the 2012 end balance reported in 2012, the adjusted amount for the correction and the correct amount at the start of 2013. As these balances reverse in subsequent years, making this one time adjustment brings all the projects in line for the end of 2013.

(b) **Sub grantees**

Certain program funds are passed through the County to subgrantee organizations. The Schedules of Expenditures of Awards do not contain separate schedules disclosing how the subgrantees outside of the County's control utilized the funds. The County requires subgrantees receiving funding to submit separate audit reports disclosing the use of program funds.

(c) **Cost Allocation**

The County has a plan for allocation of central service costs related to grant programs. The amounts allocated to grant programs during a fiscal year are based on this cost allocation plan. Variances between actual costs and budgeted amounts are corrected on a prospective basis. As a result, the 2013 Cost Allocation Plan was based on the 2011 actual amounts and includes adjustments for variances between the 2011 Plan and the 2011 actual amounts.

In addition to the cost allocation plan, the County has various departments, which provide services to other County departments. Charges between departments are based upon direct rates. The methodology or basis for these direct rates has been reviewed and approved by representatives of the U.S. Department of Health and Human Services.

3. **FINDINGS OF NONCOMPLIANCE**

The findings of noncompliance identified in connection with the 2013 Single Audit are disclosed in the section entitled, "Findings of Noncompliance." In determining compliance with the requirements of awards received by the County, samples were selected for testing from the awards shown in the Schedules of Expenditures of Awards. No potential over or under reimbursement effect is shown for internal control findings.

4. **SUPPLEMENTARY INFORMATION**

(a) Title XIX Medical Assistance payments to the Behavioral Health Division for 2013 and 2012 amounted to \$49,131,008 and \$38,378,360 respectively. These amounts consisted of the following items:

	<u>2013</u>	<u>2012</u>
Patient Billing Cash Receipts:	\$18,096,285	\$11,555,728
Wraparound Capitation Payments:	24,043,376	17,418,122
Crisis and case management billings:	<u>6,991,347</u>	<u>9,404,510</u>
Total	<u>\$49,131,008</u>	<u>\$38,378,360</u>

These amounts are unaudited and are presented to satisfy the disclosure requirement by the State of Wisconsin, Department of Health Services, Division of Health.

- (b) Program income was received mainly in the form of principal and interest payments from home rehabilitation loans to lower-income occupants. The original home repair loans funded by Community Development Block Grants, which originated from the U.S. Department of Housing and Urban Development. Program income of \$57,217 was received from loans in 2013.
- (c) According to the State of Wisconsin, Department of Health and Family Services, 2013 Youth Aids - State payments for correctional facility charges were \$18,440,699. This amount is unaudited and is presented as additional information to satisfy disclosure requirements established by the State of Wisconsin, Department of Health and Family Services.
- (d) The Milwaukee County Department of Family Care (MCDFC) receives funding from Medicaid through the State of Wisconsin Department of Health Services (DHS). The funding is through a Medical Assistance (MA) capitated payment rate for Family Care eligible members. Per the State of Wisconsin, the capitated rate funding for MA eligible members is approximately 59.74% from Federal sources and a 40.26% match from the State of Wisconsin. The MCDFC served an average of 8,088 MA Family Care members during 2013 and had 8,241 MA Family Care members as of December 31, 2013 for the eight counties MCDFC services. MCDFC also receives funding from its members' who have responsibility for cost-share and/or room and board if the member resides in a residential health care facility. For 2013 this represented approximately 10.9% of the MCDFC's total revenues.

5. **DEPARTMENT OF FAMILY CARE**

As of December 31, 2013 the Milwaukee County Department of Family Care (MCDFC) has met the reserve requirements as identified in its contract with the State of Wisconsin Department of Health Services (DHS). As required under the contract with DHS to administer the Family Care program, MCDFC shall demonstrate its capacity for financial solvency and stability along with its ability to assume the level of financial risk by maintaining certain reserves. The MCDFC shall maintain a working capital reserve, restricted reserve, and solvency reserve.

5. **DEPARTMENT OF FAMILY CARE-(CONTINUED)**

DHS requires MCDFC to maintain minimum reserve balances for working capital, restricted and solvency reserves separately from Milwaukee County's general fund. Separate bank accounts for the Working Capital and Restricted reserves have been established and the solvency reserve has been pledged and is being held by the Wisconsin Department of Administration. The working capital reserve is required to be funded as a percentage of MCDFC's budgeted net annual capitation revenue. The 2013 minimum working capital reserve requirement of \$7,814,444 was based on 3.0% of net capitation revenue budgeted for 2013 of \$260,481,456. To maintain compliance with working capital reserve requirements under the contract with DHS, the reserve is increased at the end of each year to meet the subsequent year's minimum reserve requirements. If the minimum reserve requirement is determined to be less than what was previously funded, the account balance is not decreased to meet the requirement. The total balance of working capital as of December 31, 2013 is \$31,596,106, with \$7,841,808 deposited in a separate bank account to maintain the minimum requirement. Based on estimated net annual capitation revenue of \$254,339,660 for 2014, the minimum working capital reserve requirement is \$7,630,190. Since the working capital reserve balance exceeds the 2014 minimum requirement, no adjustment was made to the balance as of December 31, 2013.

The restricted reserve is also required to be funded based on a graduated scale using a percentage of net annual capitation revenue. The restricted reserve balance as of December 31, 2013 is \$3,616,295. The 2013 minimum restricted reserve requirement of \$3,604,815 was based on budgeted net capitation revenue for 2013 of \$260,481,456. Similar to the working capital reserve, if the reserve requirement is determined to be less than what was previously funded, the account balance is not decreased to meet the new requirement. Based on the above net capitation revenue projection for 2014, the minimum restricted reserve requirement is \$3,543,397. The account balance at the end of 2013 exceeds the 2014 minimum reserve requirement, so no adjustment was made to the balance as of December 31, 2013.

The solvency reserve minimum requirement is \$750,000, and the funds are required to be pledged to a separate account with the State of Wisconsin Department of Administration. The MCDFC will continue to earn investment income on the funds in this account; however, the funds from this reserve are part of a pooled reserve established for all Managed Care Organizations (MCO's). In December 2012, MCDFC was notified the pooled reserve having all MCO's reserve funds would be liquidated to pay for claim run-out and other reasonable expenses of an insolvent MCO. During 2013, all MCO's were required to begin replenishing their respective solvency reserve fund. MCDFC had opted to fully replenish this reserve account as of July 15, 2013. Since replenishing the reserve there exists the potential for DHS to access the pooled solvency reserve as another MCO has become insolvent and is no longer in business as of December 31, 2013. A final determination from DHS has not been provided on whether this will occur.

Interest earnings on the separate bank accounts for the working capital and restricted reserves were \$11,452 for 2013.

Any annual surplus generated by the MCDFC will be used first to meet reserve requirements, with the excess funds placed into a surplus reserve. The surplus reserve will be used to cover any future shortfalls in revenues, or to maintain the State minimum reserve requirements. As of December 31, 2013, the Surplus reserve had a balance of \$22,625,336.

**6. AMERICAN RECOVERY AND REINVESTMENT ACT**

In February 2009, the Federal government adopted the American Recovery and Reinvestment Act (ARRA) to provide additional federal funding to states and local communities for the purpose of stimulating the economy. All ARRA grants awarded to Milwaukee County in 2013 are identified in the Schedule of Expenditures of Federal Awards in the Award Description. All ARRA revenues recognized in 2013 are identified with a “(2)” in the Schedule of Expenditures of Federal Awards.

Below is a summary of the 2013 grants awarded to Milwaukee County through the American Recovery and Reinvestment Act:

**COUNTY OF MILWAUKEE**  
**SUMMARY SCHEDULE OF PRIOR YEAR FINDINGS**

**Funding Source**

U.S. Department of Housing and Urban Development

**Award Programs**

CDBG (14.218)

**Finding 2012-1**

**Condition**

9 out of 9 sub-recipients that we selected for testing did not have monitoring procedures performed on them in 2012 for 2011 activities.

**Recommendation**

We recommend that County of Milwaukee Housing Division implement procedures to ensure that sub-recipient monitoring procedures are conducted for all sub-recipients.

**Management Corrective Action**

**2012 Response:** For projects which have been found to be ineligible by HUD and the projects have been paid back. The “Sub-recipient Compliance Manual” addresses eligibility through the application process on the front end and addresses monitoring. It is the goal of the Housing Division to monitor all 2012 CDBG projects in 2013. From the monitoring results a risk analysis system will be created to select sub-recipients for monitoring in future years in accordance with HUD published guidance. Staff is also scrutinizing reimbursement requests from sub-recipients to a greater degree to ensure compliance. Payments now require the signatures of the Housing Program Assistant, Accountant, Manager, and Administrator.

**Current Status**

Housing Division implemented its corrective action for the CDBG program. There were no findings for the year ended December 31, 2013. This finding has been satisfactorily cleared.

**Award Programs**

CDBG (14.218)

**Finding 2012-2**

**Condition**

5 out of 9 sub-recipients select for testing did not have DUNS number.

**Recommendation**

We recommend that County of Milwaukee Housing Division implement procedures to ensure that sub-recipient DUNS number is obtained prior to sub award.

**Management Corrective Action**

**2012 Response:** Currently staff is diligent on collecting DUNS numbers and running them through the Excluded Parties List System (EPLS). The DUNS number is collected with applications and EPLS is run prior to contract signing.

**Current Status**

Housing Division implemented its corrective action for the CDBG program. There were no findings for the year ended December 31, 2013. This finding has been satisfactorily cleared.

**Award Programs**

CDBG (14.218)

**Finding 2012-3**

**Condition**

3 out of 25 sub-recipients payments that we selected for testing were paid out to unallowable activities.

**Recommendation**

We recommend that Housing Division implement procedures to ensure that payments made to sub-recipient although used for eligible CDBG national objectives be used in the Milwaukee County jurisdiction.

**Management Corrective Action**

**2012 Response:** The activities themselves may have been eligible under CDBG National Objectives, but they were not in the Milwaukee County jurisdiction of 16 municipalities excluding the Cities of Milwaukee, Wauwatosa, and West Allis or they were not properly coded with the proper National Objective. Projects cited have been found to be ineligible by HUD due to jurisdiction and the projects have been paid back. HUD had approved Annual Plans for decades without regard jurisdiction, but in 2011 took issue with jurisdiction. The “Sub-recipient Compliance Manual” addresses eligibility through the application process on the front end.

Prior to allocations being made, applicants will have to document that the project serves the jurisdiction and is eligible. Eligible applications will be scored and a recommendation of funding will be made to the County Board. A spread sheet will be provided to the Board showing administrative and public service caps. The County Board will ultimately determine the allocations and once the County Executive signs the County Board resolution allocating funds, staff will submit an Annual Plan to HUD listing the allocations. Once HUD awards funds, contracts will be drafted based on the resolution and projects will be entered into IDIS based on the resolution. This process will ensure the resolution, annual plan, contracts, payments, and IDIS all tie out.

COP (435.367)

**Finding 2012-4**

**Condition**

For 2 out of 10 case files that received a termination of COP funded services, the participant or guardian did not receive a notification at least ten working dates prior to the effective date of termination of services.

**Recommendation**

We recommend that Behavioral Health Division (BHD) implement procedures to ensure that participant or guardian received notification at least ten working dates prior to the effective date of termination of services

**Management Corrective Action**

**2012 Response:** BHD will review Notification of COP program Termination form, Notification of COP Eligibility form, SAIL Community Options Program (COP) Eligibility Policy and Procedure, and SAIL Community Options Program (COP) Termination of Services Policy and Procedure with Care Coordinators.

**Current Status**

BHD implemented its corrective action for the CDBG program. There were no findings for the year ended December 31, 2013. This finding has been satisfactorily cleared.

**COUNTY OF MILWAUKEE**  
**SUMMARY SCHEDULE OF PRIOR YEAR FINDINGS (CONTINUED)**

**Finding 2012-5**

**Condition**

Certain portions of the County's financial statements, specifically the portion of the financial statements applicable to the government-wide financial statements and related reconciliations and the general fund budgetary statement required significant changes to bring them into conformance with generally accepted accounting principles. The remaining sections of the report were materially correct based upon our audit.

**Recommendation**

The County should evaluate the need to provide additional, competent staff resources to provide timely and accurate year end financial reporting.

**Management Corrective Action**

**2012 Response:** The Comptroller's office realizes the need to meet internal control standards and to provide a timely financial report for the use of the County and other users of the financial report. The addition of the Comptroller's office, under State Statute, will provide additional review for County financial issues, and greater internal control compliance, by providing a segregation of duties between offices. However, this cannot be achieved without adequate staffing, and as you have noted above, additional staff is needed to meet the restructuring. The Office of the Comptroller will be requesting additional positions, and will work hard to fill the vacant positions in the department. We take the recommendation seriously, and will address the issue.

**Current Status**

The County implemented its corrective action for the CDBG program. There were no findings for the year ended December 31, 2013. This finding has been satisfactorily cleared.

**COUNTY OF MILWAUKEE**  
**SUMMARY SCHEDULE OF FINDINGS OF NONCOMPLIANCE**

**Finding 2013-1**

**Award Programs**

Community Options Program - COP (435.367)

**Condition**

During our audit, we noted that for one out of the 24 COP case files tested, the participant transitioned from COP services to Family Care services as of July 1, 2013, but costs continued to be incurred and charged to the COP program through October 2013.

**Criteria**

According to the COP State Compliance Supplement, COP service funds are to be used as a funding source of last resort to provide services to COP eligible persons. If a participant transitions to managed care (Family Care); elderly, physically disabled and developmentally disabled adults are no longer eligible for COP service funds.

**Cause**

Participant transitioned to managed care (Family Care) but cost continued to be incurred and charged to the program.

**Questioned Costs:**

Total over payment to the program from July 2013 through October 2013 totaled \$46,789.20.

**Effect**

The County claimed costs for reimbursement that were no longer allowable.

**Recommendation**

BHD should recover the over payment. BHD should also improve controls over participant files to allow for review of the status of each participant, ensuring that costs are not being incurred for participants who have left the COP program.

**COUNTY OF MILWAUKEE**  
**SUMMARY SCHEDULE OF FINDINGS OF NONCOMPLIANCE (CONTINUED)**

**Milwaukee County BHD Response:**

Milwaukee County has received reimbursement. A letter dated February 13, 2014 was sent to the agency. The over payment reimbursement was received on February 26, 2014, in the amount of \$46,789.20. Milwaukee County holds monthly meetings to review the status of each COP participant to ensure that Individual Recovery Plans are discontinued for participants who have been terminated from the program. In addition, the COP Service Manager will review vouchers for each participant in the COP program on a monthly basis.
