At its meeting for the March 2022 cycle, the Committee on Audit reviewed our audit report, “Procurement’s Purchasing Card Program: Efficiency is Achieved but More Oversight and Updated Guidelines are Needed,” issued in February 2022,” and the resolution indicating County Board concurrence with the report recommendations was adopted.

Attached is a copy of the “ASD Highlights” page for general information about our audit. The full audit report can be accessed on the Comptroller’s website via the following link:

We are facilitating the submission of the Department of Administrative Services – Procurement Division’s current status report regarding its progress toward implementation of the ten recommendations made in our audit report. Based on Procurement Division’s comments in the updated status report, copy attached, only recommendation 8 remains open.

Due to the remaining efforts required to fully implement the outstanding recommendation, we will facilitate submission of Procurement’s next status report for the June 2024 committee meeting cycle.

This status report is informational.
